

Week #5: Finish the Project

This Sunday we focused on the story of the Prodigal Son and the wonderful party that followed his return. The story was told through the eyes of the father, the son and the brother. Each character received a gift that eventually led them to the final party. Each of these gifts changed everything on their perspective! Throughout the message the audience was encouraged to ask the question, “Who are you?” God longs to celebrate with us, but we need to accept his gifts so we can celebrate.
