~Happy Questions~

~Happy Discussion Questions~

Central Idea: Self-care is very important, however it can never take the place of service to others, even placing others above ourselves.

Read: Galatians 5:13 & Matthew 20: 26-28

1. When you think of a hero in the Bible, who comes to mind? In what ways did those individuals exhibit humility and service to others.
2. Freedom is typically considered the opposite of serving, but in Galatians Paul says that freedom in Christ frees us to serve others. What does this mean? What thoughts do you personally have about this and how have you lived this out in your own life?

Read: Philippians 2:3 & Matthew 6:1

1. After reading Philippians, how did Jesus follow this principle in His life?
2. Why is it important to examine our motives when we serve others? What is the problem with serving others to bring attention to ourselves?
