~Being Prepared~

Prayer is our best preparation. Pray for your group and discussion time.

Community is our highest goal. Come prepared to discuss and share.

Growth is our greatest desire. Review the questions prior to group.

~Growth Discussion Questions~

Central Idea: How we react and respond to God's plans shows our faith.

Read: Habakkuk 3:17-19

1. How did Habakkuk use the imagery of trees, fields, and flocks to describe the situation in Judah at the time? Why did he use agrarian (agricultural) language?
2. How did Habakkuk respond? How did he get to the place where he could praise God?
3. How would you have responded if you had lived in Judah at the time?

Read: 2 Corinthians 12:1-10

1. Why do you think Paul spoke about boasting without referring to himself in the first person? Why was boasting not an option for Paul?
2. Why did Paul say he was given the thorn in the flesh? What do you think the thorn could have been?
3. How have you seen God's strength in your weakness?
4. What has the Lord spoken to your heart about this subject that we have not already discussed?
